---

Dear friends,

It is my pleasure to inform you that the car for the Bratunac Vilamet raspberry producers' association was delivered in the best way possible. On 28th June, Rotary Club Srebrenica, on behalf of the RC Wiener Neudstadt, presented the Mayor of Bratunac Municipality with the keys to the donated car. On the same day, the Mayor passed the keys to the president of the raspberry producers' association, who having signed the contract, expressed his great gratitude for the donation. He assured that the car would be used by those members of the association who lack transportation of their raspberries and blackberries from the plantations to the sale points. Costs of the car maintenance and gasoline will be covered in cooperation with the Bratunac Municipality.

Our greatest gratitude goes to our friend Mr Fritz Schmid who donated the pickup and to RC Wiener Neudstadt President Mr Michel Prosenz, whose Club took care of the bigger part of the car's transport costs. Our thanks go to friends: Assistant Governor Walter Mayer and Mr Gerhard Loschnigg, who, together with our friends from Bratunac, initiated this project during their visit to BiH last year. Their hard work and commitment during the past few months made the successful completion of this project possible. Thank you Ms Dijana Bajrovic for taking care of German/bhs translation of the documentation and providing constant technical support with the correspondence between Bosnian and Austrian Rotary Clubs related to this as well as other projects. Assistant Governor in BiH- Ms Jadranka Duraković, together with her colleagues from Tuzla Red Cross did everything possible to make importing of the car to BiH possible and dealt with the complicated duty custom procedures. Our great thanks for this.

On behalf of RC Srebrenica and ourselves, we would like to express deep gratitude to all other friends in Rotary who worked together towards the successful implementation of this part of our common project 'Raspberry Farms'.

It was a great pleasure to work with you and we feel proud to be part of this successful team.

Best regards,

Rotary Club Srebrenica

Nada Marković – Project Coordinator

Nedeljko Simić – member of „Bridge to Bosnia“ team
