MDRR:

As the Multi District Rotaract Representative you are the direct link between Rotary International, Rotary 1910/1920 and Rotaract 1910/1920.

You bear the responsibility for the main multi district activities as social projects and presidential meetings.

The multi district board is dependent on your strength of communication, organization and your motivation. As the head of this cross-boarder team you will be in regular contact the individual regions and put this information in a multi district content. There will be many occasions you are invited to, you might not be able to join all of them but there are main events as club charters and youth service meetings you should not miss.

You're most important tool to build up a good network between Rotaract Members, Presidents and Rotary, is to have an always up to date contact list of alle members in your district. The Multi District Secretary and Multi District Information Coordination Officer will support you in this activity.

RER: (Rotaract Europe Representative: Austria, Bosnia&Herzegovina)

Internationally this position is known as Country Representative within the European Rotaract Information Center (www.rotaracteurope.org). You have to communicate the international events/projects of Rotaract and Rotary to your country and vice versa your countries projects at the Rotaract European Meetings (REMs) and EUCOs. Due to this experiences you hold an important position to advice the MDRR, for instance the idea of an independend RAC Board with own bylaws.

The RER should be really open minded and and should be able to speak english well. Furthermore you should have time to travel and you should be confident to give presentations.

MDICO: (Multi District Information & Coordination Officer)

MDICO is a very important position: You have to manage the communication and mails between Rotaract and Rotary.

You have to take care about their questions and wishes. Furthermore you are working close with the ADRRs to manage their concerns and you are the deputy to the MDRR.

ADRR: (Assistant District Rotaract Representative: West, South-East, North-East, Bosnia&Herzegovina)

ADRR is a very exciting position. The ADRR is the direct link between the clubs of each region and the District board. He/She keeps contact with all the clubs in the region. On the one hand the ADRR has to take care about problems and questions of the different club members, On the other hand the ADRR provides important information to the clubs from the district board. For this reason the ADRR is a great position for outgoing people to get to know a lot of awesome Rotaractors, their clublife and their projects.

MDS: (Multi-District Secretary)

The secretary is voted by the new MD-Board.

The duties of the secretary are managing all the rotaract-md.org email accounts, maintaing the rotaract.at homepage, collecting latest informations about the clubs in the MD and help the other board members with their work and aims.

GENERAL INFORMATION

Each year you can submit your social projects at the youth service (Walter Waidenholzer). They will check your accountings (so send in the according invoices for project) and if it is accepted, your club will receive a financial support (about €300). If you need more assistance don't hesitate to contact your ADRR.
