Dear Rotarian friend,

It is my great pleasure to inform you that our District and the Rotary clubs of Belgrade will host the „7th **MULTI-CLUB WORKSHOP**”, WHICH WILL BE HELD on September 5-9, 2013.

These events are a unique opportunity for the Rotary clubs of Europe to present their projects, discuss and make arrangements for joint realization of some of the projects, but also establish firm inter-club relations and Rotarian friendships.

We would really appreciate if you could forward this information with the attached documents to all Rotary clubs of your District, and invite them to apply and take part in the Multi-Club Workshop this year.

For all additional information, Rotary club Presidents can contact the organizers of the event from RC Beograd Centar -Branislava Radović, President 2012/13 , email:

branaalba@open.telekom.rs phone: +381 63 288 232 or Jovana Krsmanović, email:
