Dear supporters of TRF-The Rotary Foundation! Nr. 5 / October 2014

In this current TRF's newsletter I would like to draw your attention to the international World Polio Day, 24th October (one day before our TRF seminar in Weiz). Interestingly, in German speaking countries we celebrate the Polio Day on 28th October. During these days we should take the opportunity to emphasize on Rotary International's biggest initiative END POLIO NOW. Furthermore we should take this as a cause to raise additional funds for the fight against Polio.

Only one of many ways is to participate in the global project WGM „World Greatest Meal to help END POLIO“. Arrange a joint meal with your friends, cultivate your friendship and keep the fun in fundraising. Instead of courtesy gifts raise awareness. There are really no creative boundaries and I appreciate every kind of initiative.

Yours in Rotary

Herbert Ederer
