5TH ITFR WORLD TENNIS CHAMPIONSHIP WIEN 2009

AUGUST 24 - 30, 2009
COLONY CLUB VIENNA, AUSTRIA

www.itfr-wtc.org

This initiative will be an important occasion for all Rotarians, who play or who are fond of tennis all over the world, to meet each other according to the motto „Score an ace with Rotary... for a winning Service“. Tennis' principles perfectly share the Rotarian spirit, the legality and fair-play used in tennis, make this sport suitable for the Rotarian aims. I am sure that we will spend an unforgettable week of Rotarian friendship/fellowship all together, in this wonderful city and country, renowned all over the world for its extraordinary historical and artistic beauty. I hope to meet you in great numbers "in action" to pursue the common Rotarian action in order to score another... "ace"!

Marco Marinaro, ITFR Chairman

The objective of the 5th ITFR World Tennis Championships is to combine the pleasures of playing tennis with Rotarian friendship and simultaneously to raise funds for humanitarian aid projects. Three motives that should be reason enough to join the ITFR WTC '09.

The enthusiasm aroused in the Rotarian community will certainly make this event a great success and everyone is looking forward to a thrilling international tennis competition.

Vienna, the capital of Austria, situated on the Danube, a city of over 1.8 million, one of the great cultural centers of Europe is the host venue. The city of Strauss, chocolate cake and the world famous New Year's Concert offers warm hospitality and an enticing wealth of culture. We have arranged an exclusive and diversified program for the young and young at heart, designed to make your stay unforgettable.

Taking an active part is the motto and seats are limited. Sign up right now with your family and friends for a smashing Rotarian experience playing tennis, meeting new friends and taking pleasure in the proverbial Viennese hospitality.

We are looking forward to seeing you in August - wir sehen uns in Wien!

Josef Gudenus, Tour Director Austria
