Major Gift Pledge Guidelines

The Foundation may accept unconditional promises to give (pledges) with payment terms generally three years or less and valued at \$10,000 or more. A pledge meeting these criteria is considered active upon receipt of the first payment, which shall generally represent a proportional share of the total pledge amount. Pledge terms must be established in writing. These pledges are considered by the Foundation to represent a binding obligation of the donor and are recorded on the Foundation's financial statements.

Key points when accepting a pledge:

- Must be **\$10,000+**
- Must be paid in **equal distributions within 3 years** (exceptions for very large pledges can be made only with Fund Development Division Manager approval)
- Initial pledge payment should be sent with signed pledge agreement
- Payments must come from the individual/entity making the pledge (exceptions can only be made with Gift Administration approval when donor-owned companies wish to make payments on pledge)
- Pledges must be for **one single designation** only (no split designation pledges)
- Past giving may not apply
- Payments may not come from DAF's or family foundations (unless the family foundation is making the pledge)
- Only the payments themselves count toward the club/district credit when they come in -- the pledge itself does not go on the MCR or count toward club/district totals
- If the pledge is established to start an endowed fund, the fund will only be started after US\$25,000 has been received by TRF
