Philosophy

As part of the recreational experience offer "Canoeing with open flow Canadians at the river Raab" we want to bring natural areas and river landscapes to interested people and vividly to life close. River hiking with open canoes allows to appreciate the landscape from a new perspective and learning .

Approximate daily planning

(Subject to change):

Fr.8.8.08: Reception of the group from 05:00 pm on resting place in Rabagyarmat; Organisational Notes; Tent design; dinner.

Sa.9.8.08: Transportation of the participants by "Rotary Club Feldbach" to the entry point with Csörötnek; comprehensive schooling; canoe ride to the picnic area in Rabagyarmat.

So.10.8.08: Canoe ride: Rabagyarmat - Csakanydoroszlo

Mo.11.8.08: Canoe ride: Csakanydoroszlo -Körmend

Di.12.8.08: canoe ride: Körmend-Molnaszecsöd

Mi.13.8.08: Molnaszecsöd-Rabahidveg (ev. to Zsennye): End of canoe ride

Do.14.8.08: Breakfast; dismantling of the camp, the youngsters picked up by "Rotary Club Feldbach and journey home

The Rotary Club Feldbach reserves, if necessary, amend daily stages. At high tide, we ride for security reasons, not the river with groups! Depending on the context (group motivation, weather...), we reserve the right to individual daily stages omit. In this case we would replace an attractive offer

The organizer is Liability Insured. There will be an additional insurance for young people. If not available it is necessary to take out insurance at Rotary (31 €) to be completed.

We invite you to try the nature from a different perspective
